**LESSON 24 – PANCH BHOOT (PANCH TATVA)**

<b>English</b>	<b>Odiya Script</b>	<b>Meaning in Odiya</b>
My body is made up of five elements – soil, water, air, agni (energy) and space.		
These five elements are called Panch Bhoot or Panch Tatva.		
My parent's body is also made up of Panch Bhoot.		
The body of my future generations will be made up of Panch Bhoot.		
My clothes are made up of Panch Bhoot.		
My food is made up of Panch Bhoot.		
My books, toys and my house are made up of Panch Bhoot.		
I promise to preserve Panch Bhoot.		
I will not pollute soil, water and air.		
I will not use plastics, don't throw garbage into ocean and ponds and burn materials in open.		
If Panch Bhoot is polluted, the body of future generations will be deformed and food and water will be poisoned.		
With pollution of Panch Bhoot, all living beings including human beings will die.
