

**BALABHADRA SKILL DEVELOPMENT ACADEMY**  
**SCIENCE QUESTION BANK - 33**  
**SCIENCE OR STUDY DEALING WITH DIFFERENT SUBJECTS**

Time: 1 Hour

Full marks: 45

Pass marks: 34

1. Science dealing with the formation, composition, functions and diseases of the blood is called \_\_\_\_\_.
2. Art of garden cultivation is called \_\_\_\_\_.
3. Study of Treatment of disease by water is called \_\_\_\_\_.
4. Study of The culture of plants without soil is called \_\_\_\_\_.
5. Study of Pressure in the relation to equilibrium of fluids is called \_\_\_\_\_.
6. Study of rainfall is called \_\_\_\_\_.
7. Study of Health is called \_\_\_\_\_.
8. Teaching by pictures and models is called \_\_\_\_\_.
9. The science of knowledge of law is called \_\_\_\_\_.
10. Compiling of dictionary is called \_\_\_\_\_.
11. A technique used for quicker diagnosis of breast cancer among women is called \_\_\_\_\_.
12. Extraction of metals from their ores is called \_\_\_\_\_.
13. Study of Atmospheric phenomena is called \_\_\_\_\_.
14. Study of Position, structure and form of the different parts of plants and animals is called \_\_\_\_\_.
15. The study of fungi is called \_\_\_\_\_.
16. The study of nerves is called \_\_\_\_\_.
17. Study of Coins and medals is called \_\_\_\_\_.
18. Study of Teeth is called \_\_\_\_\_.
19. Study of Nature and properties of light is called \_\_\_\_\_.
20. Study of birds is called \_\_\_\_\_.
21. The study of bones is called \_\_\_\_\_.
22. Study of animal fossils is called \_\_\_\_\_.
- 22(a) Study of plant fossils is called \_\_\_\_\_.
- 22(b) Study of fossils is called \_\_\_\_\_.
23. Study of Nature, causes and remedies of diseases is called \_\_\_\_\_.
24. Study of Education is called \_\_\_\_\_.
25. Study of rocks in the earth's crust is called \_\_\_\_\_.
26. Study of Skull and brain is called \_\_\_\_\_.
27. Stamp collecting is called \_\_\_\_\_.
28. Study of Language is called \_\_\_\_\_.
29. Concerning or representing the sounds of spoken language is called \_\_\_\_\_.
30. Study of Material bodies is called \_\_\_\_\_.
31. Study of structure and function of animal and plant life is called \_\_\_\_\_.
32. Study of Natural phenomenon is called \_\_\_\_\_.
33. Study of Origin and growth of plants is called \_\_\_\_\_.
34. Study of Fruits is called \_\_\_\_\_.
35. Study to analyse every protein in human body is called \_\_\_\_\_.
36. Study of mind is called \_\_\_\_\_.

37. Study of Radiant energy is called \_\_\_\_\_.
38. Science of earthquakes is called \_\_\_\_\_.
39. Study of ~~Study of~~ Silk-worm breeding is called \_\_\_\_\_.
40. Study of Social problems and human progress is called \_\_\_\_\_.
41. Study of Communication of two minds at a distance, with the help of thought, feelings or emotions is called \_\_\_\_\_.
42. Study of Healing of diseases and laws of health is called \_\_\_\_\_.
43. Study of inter-acting surfaces in relative motion is called \_\_\_\_\_.
44. Study of viruses is called \_\_\_\_\_.
45. Study of Animal life is called \_\_\_\_\_.

**BALABHADRA SKILL DEVELOPMENT ACADEMY**  
**SCIENCE QUESTION BANK – 33 (ANSWER)**  
**SCIENCE OR STUDY DEALING WITH DIFFERENT SUBJECTS**

1. Haematology
2. Horticulture
3. Hydrography
4. Hydroponics
5. Hydrostatics
6. Hyetology
7. Hygiene
8. Iconography
9. Jurisprudence
10. Lexicography
11. Mammography
12. Metallurgy
13. Meteorology
14. Morphology
15. Mycology
16. Neurology
17. Numismatics
18. Odontogrpahy
19. Optics
20. Ornithology
21. Osteology
22. Paleozoology
- 22(a) Paleobotany
- 22(b) Palaeontology
23. Pathology
24. Pedagogy
25. Petrology
26. Phrenology
27. Philately
28. Philology
29. Phonetics
30. Physics
31. Physiology
32. Physiography
33. Phytogeny
34. Pomology
35. Proteonics
36. Psychology
37. Radiology
38. Seismology
39. Sericulture

- 40. Sociology
- 41. Telepathy
- 42. Therapeutics
- 43. Tribology
- 44. Virology
- 45. Zoology
